Skyline®

PREMIUM HOME APPLIANCES

WHO WE ARE

In 1996 Skyline entered the market with a diverse range of products that few companies at the time offered, such as toasters, kettles and vacuum cleaners. Always ahead of the competition, Skyline introduced innovative products each year. Today, the brand boasts a portfolio of 300+ products, earning a strong reputation for quality and competitive pricing.

Skyline operates three semi-automatic production line for home appliances, supported by a dedicated and professional team for quality management, sales and research, Our team consistently strives to develop better products, catering to the evolving needs of our customers. Our operations span across manufacturing supplying, wholesaling, and distributing a wide variety of home appliances, including Steam Irons, Kettles, Coffee Makers, Induction Cookers, Sandwich Makers, Toasters, Hand Blenders, Hair Dryers, Hair Straighteners, Heaters, Vacuum Cleaners, Air Fryers, Deep Fryer, Tandoors, Barbecues, Grills, Ovens, Blenders, Juicers and Mixers. We also specialize in offering premium Non-Stick Cookware, Electric Lunch Boxes, Rice Cookers, Slow Cookers and Garment Steamers by leveraging the best available technology, we continually enhance our existing products and drive innovations in new ones.

Over the years, we have remained committed to our customers by offering a vast selection of products, ensuring timely deliveries and providing high-quality goods to meet their needs.

OUR MISSION

To empower every household in India with innovative, reliable, and affordable home appliances that enhance everyday living. At Skyline, we are committed to create products that combine functionality with modern design, ensuring that quality and convenience are accessible to all.

OUR VISION

To become a household name in India, with Skyline products enriching the lives of families across the nation. We aim to be present in every home, recognized for our dedication to excellence, innovation and customer satisfaction.

We believe that our products help to create better kitchens and happier homes.
